

THE KATHARA BIO-SPIRITUAL HEALING SYSTEM

Kathara is the keystone teaching at the centre of a huge body of material known as the **Freedom Teachings**. These are translated (not channelled) from Pre-Ancient, pre-Atlantean 'Law of One' Maharata texts, traces of which appear in many popular paradigms associated with **Ascension, Merkaba, DNA Activation, Multi-dimensional Anatomy & Healing**.

Kathara reveals the **Core Structure & Anatomy of the Unified Field of Creation**, providing a coherent framework to support many people's intuitive understanding of the One-ness of All Life. The Unified Energy Field is the **Theater of Oneness**, the very framework of all Creation, and is thus the true context within which meaningful healing can occur.

Access to this framework enables the **Core Programming Centre of all life, and all life conditions**, to be **directly accessed**, to provide restoration & regeneration of the **natural, Divine, imprint for Health**.

This progressively **reawakens the full spectrum of Primal Life Force Currents** and their specifically **corresponding levels of spiritual consciousness/higher-dimensional identity** within our bodies, through activating the Dimension-12 **Maharata Current carrier wave.**

TRUE EMPOWERMENT

The D-12 Maharata Current holds what is called the original, pre-matter manifestation template for mind-body-spirit health, the **Personal Divine Blueprint or Inner Christos**.

Each one of us has emerged from God-Source and **we all carry a direct connection to Source** through our higher bodies at the many levels in creation and through the levels of our own consciousness.

Kathara presents us with an **elegant and comprehensive** context for understanding **our true, multi-dimensional nature**. Perhaps even more importantly, Kathara also gives very clear guidelines as to how we can begin to **integrate our own higher consciousness** into our everyday life.

The result is **true empowerment**. It goes way beyond the perceptions of ourselves as limited, lowly or fallen beings. We have tended to look for support, protection or salvation from outside ourselves, failing to realize **the enormous potential we carry within us**.

The first step in reclaiming our full potential lies in understanding what it is!
This empowers the mental body, which must be included in our search for spiritual, emotional and physical well-being.

PRACTICAL APPLICATIONS

The workshop will introduce many effective approaches to re-establishing our direct, conscious connection to Source.

- **Self-Healing** through sound, symbol and color
- Specific techniques for clearing blockages, **activating DNA**, and **reawakening the organic imprint for health**.
- **Maharic Seal**: Strengthening **personal field integrity** by building a **natural protection "filter"** from intrusive energies.
- De-mystifying concepts such as **Soul, Oversoul, DNA, Karma, Ascension, Merkaba, Indigos, the Christos & the Angelic Self** & more, by defining their precise nature & providing specific tools (techniques) to **integrate our higher levels of identity**.
- The course will also introduce the **Maharic Recoding Process**, which can be added to the practice of other healing modalities, greatly enhancing their effectiveness and safety.
This fully integrated sequence is a process of Whole Being **Healing** in the literal context of **Oneness, the Divine Blueprint & natural, organic, Christos (re)-alignment**.

KATHARA

KA: LIGHT THA: SOUND RA: ONE

Cosmic Order: where and how we fit into the larger scheme of creation.

Christos Identity: who we are as magnificent spiritual beings.

Our multi-dimensional nature: what it is and how we can access it.

Empowerment: reclaiming our **divine sovereignty** and **spiritual integrity** to acquire true **Self-mastery**.

Postures of Love: The Law of ONE:
Soft Love, Tough Love, Omni- Love.

The word **KATHARA** refers to the Core Structure of Morphogenetic Fields (creation templates), the Holographic Templates of Sound, Light & Scalar Waves that serve as the blueprints on which matter manifests.

Kathara provides **direct access** to the core intrinsic, original causal condition of dis-ease & its myriad manifest forms.

The **all-inclusive, love-based** perspectives **intrinsic** to the Kathara paradigm, the meeting ground of science & spirituality, foster an expansive framework in which ALL can freely celebrate, explore & evolve the Spirit-Mind-Body experience of Manifest Expression.
